When the program runs

The program commences on 25th March 2024 and will run until withdrawn.

Who is eligible to participate

Customers who purchase an OPPO A18 from Officeworks and who activate the complimentary \$25, 30 day Konec Mobile SIM are eligible to participate in the program.

Where to participate

The program is available in your account via the Konec Mobile app and at [Konec.com.au](https://www.konec.com.au)

How the program works

- When you purchase an OPPO A18 from Officeworks, you will receive a complimentary "Gift with Purchase" – a Konec Mobile \$25, 30 Day SIM.
- Upon activation of the SIM, you unlock 3 Auto Recharges of the \$25 Plan at a 50% discount (\$12.50)
- You must save a payment method to your account and enable Auto Recharge to receive the discount.
- On the day your plan is due to expire, we will apply the 50% discount to our payment request and if approved by your bank, we will recharge your service with our \$25 Mobile Plan for \$12.50, saving you \$12.50.
- If an Auto Recharge fails for any reason, it will be reattempted the following night with the discount applied. If Auto Recharge fails for a second time, no reattempt is made and the discount is available for use on a future Auto Recharge.
- A maximum of 3 discounted Auto Recharges is available.
- At commencement date, there is no time limit for redemption.

How the program doesn't work

- The discount cannot be: used for a manual recharge via app, our website or Call Centre; applied to reduce the price of Add ons; redeemed for cash or other goods and services. It cannot be used in conjunction with other offers or for purchases either online or instore at our retail partners.
- The discount is linked to your SIM card, it cannot be transferred to another SIM, service or account.
- No credit, refund, reimbursement or reinstatement will be provided for discounts that are unused and/or expire, if an expiry date is added later.
